

Floor Series™ Air Purifier (HA-1000)

Better Air

Pre-filter

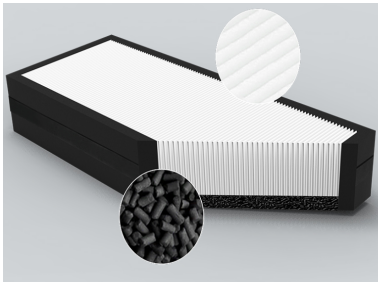

Remove pollen, airborne mold, pet hair maintain allergen-free air

Activated Carbon Filter

Trap annoying odors with activated carbon

True HEPA Filter

Absorb & decompose COVID-19, 99.99% bacteria, formaldehyde, TVOC

Lower Noise

Silent Centrifugal HurricaneMotor™

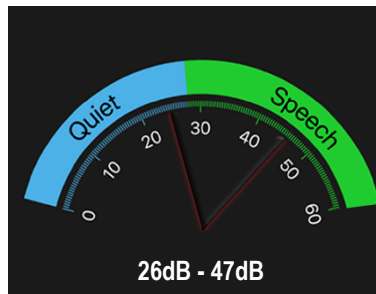

Strong, Quiet, Long life about 40,000 hours

Unique Air Duct Design

Good for smooth air circulation and noise control

Exceptional Low Noise

5 -10dB lower than the competitor's air purifier

Larger Airflow

Strong HurricaneMotor™

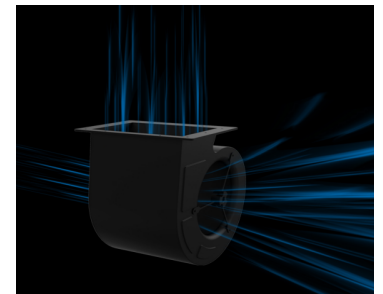

Max to 1000m³/h (590CFM), applicable for large spaces

Well-designed Air inlet and outlet

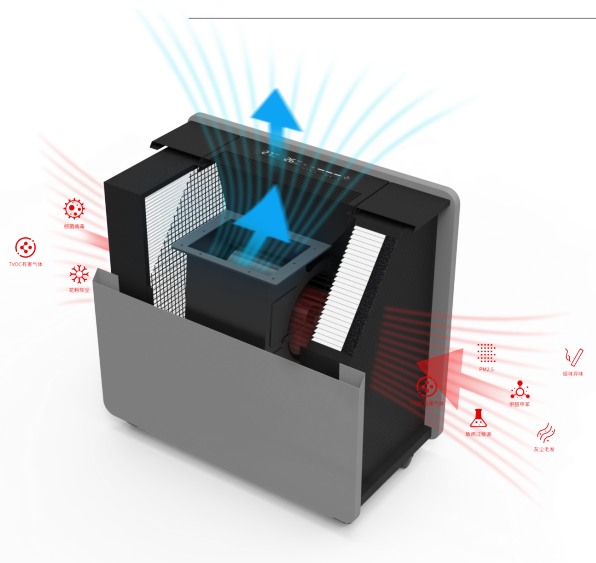

Deliver clean and fresh air efficiently

Larger Spaces

Max to coverage 120m² (1300ft²)

Specifications

Model No.	HA-1000
Type	Floor type with Omni-directional wheels
Max Air Volume (PM2.5 CADR)	1000m³/h (590CFM)
Max Application Area	120m² (1300ft²)
Noise	26-49dB
Filters	Pre filter+Anti-bacteria filter+H13 HEPA Filter
Shell Material	Metal
Control Method	Touch Screen
Air Quality Indicator	PM2.5, Filter Replace Remind
Airflow direction	Air inlet: Left & Right sides, Air out: Top side
Function	3 Air speeds (F1-F2-F3) 2 Modes (Auto-Manual Operation)
Voltage	220-240V~50 Hz
Power	90W
Machine Size	670*650*352mm (26.4*25.6*13.9")
Net Weight	28kg (61.7 lbs)
Certificate	CE-EMC, CE-LVD, CADR & Noise, EN1822, Antibacterial filter test report

CARB EN1822 MRIGlobal
